

Tommy Moe Kids League – Sunday, February 4, 2007
Skier/Snowboarder Cross

The fourth event in the Tommy Moe Race League was held this past Sunday with a Banked Slalom event. The course was created like a slalom course with competitors skiing and snowboarding around gates and extra features such as 3 berms 3 feet high each, turns, and a series of rollers. The Banked Slalom was a timed event consisting of two runs with the combined runs added for their totals. The kids seemed to really enjoy the course and all did a fantastic job! Next week's event is the Slopestyle with jumps, airs and tabletop boxes. These events are geared toward 5-12 year olds.
