

**Tommy Moe Kids League – Sunday, January 7, 2007**  
**Giant Slalom**

Brief Commentary:

*Sunday, January 7<sup>th</sup>, Big Mountain kicked off another season of Tommy Moe League. The first event was a giant slalom. These fun races were held on the lower portion of Hell Roaring and finished on the bottom of Ed's Run. The weather was cool and the course conditions were excellent. Forty six participants took part in this first event, which included both skiers and snowboarders, ages 5 to 12 years. Each racer took 2 runs with the combined time determining the winner. The course was set in the morning allowing the kids to practice. At noon there was a break for lunch and the race commenced at 1:00 p.m. A special thank you goes out to the devoted volunteers who helped with the event and ensured the participants and their family had a rewarding time!*
