

**Tommy Moe Kids League – Sunday, January 21, 2007**  
**Slope Style**

Big Mountain hosted this Sunday's Tommy Moe event. This is the second year in which the League series has included slope style competitions. We were all very excited to see our participants perform. It was a beautiful day at The Big with lots of fresh snow – 2 feet in the last week – and temperatures in the 20s. Twelve skiers and snowboarders between the ages of 5 and 12 participated.

The course consisted of 4 features: 2 cheese wedge mini-jumps, 1 spine, and 1 box top. The participants practiced on the course in the morning and the competition started after lunch at 1pm. There was an intro session with Big Mountain Freestyle Team's head coach, Jimmy G, who reviewed the features, safety and park etiquette, and answered any questions. Each participant ran the course twice, both runs scored by 2 judges.
