

Resort Charge Authorization

YES, I would like to enroll in the Whitefish Mountain Resort Charge option. This enables me to use my Season Pass or Direct to Lift Card to charge goods and services at participating resort locations (Snowsports School, Base Lodge Tickets & Rentals, Base Lodge Traders, Kids Center, Lift Plaza Ticket Center, Snow Ghost Outfitters, Summit House Gift Shop and Restaurant, Cabin Creations, Base Lodge Café & Bar, Village General Store, Village Equipment Rentals & Tickets, Ed & Mully's Restaurant, Tommy Moe Kids League, and WMR on-mountain Events).

I hereby authorize Whitefish Mountain Resort to charge my credit card (identified below, the "Credit Card") each time the following Season Pass ("Season Pass") or Direct to Lift Card ("Direct to Lift Card") is presented for charging privileges. I understand that some restrictions may apply. I agree to personally pay charges not accepted on my credit card. **Declined charges may be assessed a fee of \$20.** Direct to Lift Card holders will be charged the discounted lift ticket rate once per day for each day skied.

I may change the credit card number at any time by filling out an additional Report Charge Authorization form stating the new credit card number and expiration date.
